Tentative Ruling: The obligor is required to appear at the hearing unless excused by the Agency as to the Contempt.

The provision of the Stipulation and Order of 08/14/07 regarding waiver of interest so long as payments were made is interpreted by the Court as applying only to the \$300 payments on the arrears of \$19,855.00 as those provisions were self-contained in paragraph five (5) separate and apart from the child support provisions of paragraph three (3). Therefore, the Court determines arrears since 02/1/2015 through 08/31/2016 are \$9,795.34 (principal of \$9,057.50 and interest of \$737.84).
