

COURT FACILITY EQUAL ACCESS POLICY

Government Code Section 7284.8(a)

Karen Camer COURT EXECUTIVE OFFICER CLERK OF THE COURT

Superior Court of California County of Calaveras 400 Government Center Drive San Andreas, California 95245 209-754-9800

Adopted: September 16, 2021

Pursuant to Government Code section 7284.8(a) the Superior Court of California, County of Calaveras (Court) adopts the following policies:

1. POLICIES FOR STATE COURT FACILITY ACCESS

Protecting Access to Justice

- The Court permits wide access to justice using pseudonyms, where feasible and appropriate to protect an individual's safety, and permitted or required by applicable state law or by Court order.
- Court personnel are not required to disclose citizenship or immigration status information about any person, unless the requirements of Evidence Code sections 351.2, 351.3, and 351.4 are met and such disclosure is specifically required by judicial warrant or order, or by state or federal law.
- Court personnel shall not inquire about the immigration status of an individual, including a crime victim or a witness, unless such inquiry is required for the performance of the court personnel's regular duties.
- Court policies reducing the frequency with which parties need to appear in court shall be implemented, where feasible, permitted under applicable state law or court order. For example, appearances may be waived for conferences where the parties' appearances are not required to make decisions or provide testimony at the discretion of the judicial officer. Technology may be used to permit remote appearances by phone or video when practicable and at the discretion of the judicial officer, as permitted under local rules, the California Rules of Court, and applicable state law or Court order.
- All Court personnel shall be trained on these policies and receive a copy of the policies.

2. PROTECTIONS FOR SPECIFIC LITIGANTS

Protecting Children

- Unless otherwise determined by the Court, it is presumed that immigration enforcement does not have a direct and legitimate interest in individual dependency proceedings nor in the work of the Court.
- Unless otherwise determined by the Court, to protect the best interests of children, arrests for immigration enforcement purposes are not to occur within all courthouses or any Court facility in Calaveras County unless there is an immediate risk to the safety and protection of the public.

Protecting Immigrant Crime Victims

- The Court, upon request, shall have all hearing officers complete Petition for U Nonimmigrant Status (Form I-918) for immigrant crime victims of criminal activity listed on Penal Code section 679.10, subdivision (c), who possess information about the qualifying criminal activity, unless the victim has refused or failed to provide information reasonably requested by law enforcement or unless otherwise ordered by the Court.
- The Court shall prohibit all hearing officers who have certified victim helpfulness on the Form I-918 from disclosing the immigration status of a victim or person requesting the Form I-918 Supplement B certification, except to comply with federal law or legal process, or if authorized by the victim or person requesting the Form I-918 Supplement B certification.

3. RESPONDING TO IMMIGRATION ENFORCEMENT ACTIVITY

Training Court Personnel on Responding to Immigration Enforcement Activity

The following protocols are established for use of Court personnel likely to receive in person, written, telephonic, or electronic requests for information related to immigration enforcement:

- All areas of the Court requiring a perimeter access card are considered nonpublic and no person other than already authorized or approved by the Court is permitted in the nonpublic areas. All other areas of the Court are public.
- Court personnel shall review the different type of warrants, subpoenas, and Court orders that may be presented to effect an arrest or to obtain records in immigration enforcement actions, attached hereto to this policy. By referencing these examples, Court personnel will have the ability to distinguish between the following documents:
 - The ability to differentiate between administrative warrants and judicial warrants signed by a judge or magistrate.
 - The ability to differentiate between administrative and judicial subpoenas.
 - The procedure for responding to any warrant, subpoena, or order issued in connection with immigration enforcement activities.
- U.S. Department of Homeland Security administrative subpoenas and federal court subpoenas do not require immediate compliance despite the warning language that may be included on the form. Subpoenas shall be submitted for review and a decision (by the Court Executive Officer (CEO), the Presiding Judge, or their designee or the Court's legal counsel) on whether to comply with

or challenge the subpoena.

• Court personnel are prohibited from assisting in immigration enforcement actions, including by engaging in any of the activities listed in Government Code section 7284.6, subdivision (a), unless the exceptions set forth in section 7284.6 (as applicable to law enforcement agencies) are applicable.

Responding to Requests for Access for Immigration Enforcement Purposes

- As soon as possible, Court personnel shall notify the CEO, the Presiding Judge, or their designee, of any request by officers engaged in immigration enforcement for access to nonpublic restricted areas of a courthouse or any requests for review of nonpublic court documents.
- In addition to notifying the CEO, the Presiding Judge, or their designee, Court personnel shall take the following steps in response to the service of a subpoena or a request for access to execute an administrative arrest warrant.
 - Advise the officer that before proceeding with their request Court personnel must first notify and receive direction for the CEO, the presiding judge, or their designee. Court personnel may request the officer report directly to the CEO, the presiding judge, or their designee.
 - Court personnel should ask to see, and make a copy of or note, the officer's credentials (name and badge number). Also ask for and copy or note the phone number of the officer's supervisor.
 - Court personnel should ask the officer for their reason for being at the courthouse and note the response.
 - Court personnel should ask the officer to produce any documentation that authorizes court access.
 - If the officer orders immediate access to Court facilities, Court personnel should not refuse the officer's orders and immediately contact the CEO, the Presiding Judge, or their designee.
 - Court personnel may contact the Sheriff's Office for assistance in dealing with requests for access.
- The Court does not consent to entry of Court facilities or portions thereof.
- Without expressing consent, Court personnel shall respond as follows if presented with the following documentation:

- A U.S. Department of Homeland Security and U.S. Immigration and Customs Enforcement administrative "warrant" (see Appendices A and B): Immediate compliance is *not* required. Court personnel shall inform the officer that they cannot consent to any request without first consulting with the CEO, the Presiding Judge, or their designee. Provide copy of the warrant to the CEO, the Presiding Judge, or their designee (where possible, in consultation with the Court's legal counsel) as soon as possible.
- A federal judicial warrant (either search and seizure warrant or arrest warrant; see Appendices C and D): Prompt compliance with such a warrant *is* usually legally required, but where feasible, consult with the CEO, the Presiding Judge, or their designee, before providing the officer access to the person or materials specified in the warrant.
- A subpoena for production of documents or other evidence (see Appendices E and F): Immediate compliance is *not* required. Inform the officer that Court personnel cannot respond to the subpoena until after it has been reviewed by the Court's legal counsel. Provide a copy of the subpoena to the CEO, the Presiding Judge, or their designee or the Court's legal counsel as soon as possible.
- A notice to appear (see Appendix G): This document is not directed at the Court. Court personnel are under no obligation to deliver or facilitate service of this document to the person named in the document. If you get a copy of the document, give it to the CEO, the Presiding Judge, or their designee or the Court's legal counsel as soon as possible.
- If the officer orders personnel to provide immediate access to facilities, Court personnel should not refuse the officer's order and immediately contact the CEO, the Presiding Judge, or their designee. Court personnel shall not attempt to physically interfere with the officer, even if the officer appears to be exceeding the authorization given under a warrant or other document. If an officer enters a restricted area without consent, Court personnel shall document their actions.
- Court personnel shall document the officer's actions while on Court premises in as much detail as possible, but without interfering with the officer's movements.
- Court personnel shall complete an incident report that includes the information gathered as described above and the officer's statements and actions.
- To the extent practicable, all Court personnel who observe any immigration enforcement action taking place on, or in the immediate vicinity of, any Court facility shall report the incident to the CEO, the Presiding Judge, or their designee.

Collection and Dissemination of Personal Information

Unless necessary to perform one's official duties, or required by law, Court personnel shall not:

- Inquire into an individual's immigration status.
- Provide to an officer engaged in immigration enforcement, information regarding a person's release date unless; (1) the officer has a valid judicial warrant, subpoena, or court order; (2) the person subject to the search has a criminal history that meets the criteria of California Government Code section 7282.5, subdivisions (a) and (b); or (3) the information is available to the public.
- Provide to an officer engaged in immigration enforcement, personal information unless: (1) the officer has a valid judicial warrant, subpoena, or court order; or (2) the information is available to the public. Personal information means any information that identifies or describes an individual, including, but not limited to, their name, social security number, physical description, home address, home telephone number, education, financial matters, and medical or employment history.

All other Court personnel shall not:

- Collect and maintain personal information, except as required by law or as necessary to perform one's official duties.
- As an individual about their immigration status, except as required by law or as necessary to perform one's official duties.
- Court personnel shall not share information regarding any juvenile case file for the purposes of immigration enforcement unless specifically authorized to do so by a judicial order.

Responses to Requests for Information for Immigration Enforcement Purposes

- Court personnel shall not provide personal information to any person or entity for immigration enforcement purposes, unless (1) such information is available to the public; or (2) is subject to a valid judicial warrant, subpoena, or court order.
- Court personnel shall not provide information regarding a person's release date or respond to requests for notification by providing release dates or other information unless that information: (1) is available to the public; (2) is subject to a valid judicial warrant, subpoena, or court order; or (3) is in response to a notification request from immigration authorities in accordance with Government Code section 7282.5

- Court personnel shall not use immigration authorities as interpreters when an interpreter is necessary to conduct the court's business.
- Court Administration shall revise the terms and use policies that permit access to their case management systems or any other database that contains non-criminal history information as follows:

All users of the Court's case management systems or any other database that contains non-criminal history information shall agree, as a condition to being provided access to the systems and databases, that they shall not access or use any information contained within these databases for immigration enforcement purposes, except that users are not restricted in the use of criminal history information and are not restricted in the use of information regarding a person's immigration or citizenship status pursuant to Sections 1373 and 1644 of title 8 of the United States Code.

4. DESIGNATION OF NON-PUBLIC SPACE

These areas are considered nonpublic and no person, other than someone authorized or approved by the Court, is permitted in the nonpublic areas:
